COVID Impact

The health and safety of our campers and staff remain our highest priority. Below, is a summary of actions we are taking and asking for you to help ensure we are lowering COVID-19 spread as much as possible:

- **Keeping campers in small groups (pods) and spacing them out** around the site during camp. Campers and staff will physically-distance when and wherever possible. During lunch, only two (2) campers will eat per table. Campers and staff will remain with their camp pod during our camp day and have limited interactions with other pods.
- **Limiting the number of items that are shared** or touched between campers and staff. Campers are asked to refrain from bringing play items from home. We have added equipment and supplies to reduce the number of shared items.
- **Promoting healthy hygiene practices.** All campers and staff will be encouraged and reminded to wash their hands multiple times per day, including before and after eating any snack or meal. Staff will routinely disinfect high touch areas and multi-use surfaces.
- Staff will remind **campers not to share food** with others.
- Camp staff will be required to **wear a face covering** during the camp day. Campers will wear a cloth face covering as feasible, when inside, and at times when physical distancing is difficult or cannot be maintained.
- Parents/Guardians will be required to **answer daily wellness screening questions** for each child who signs in for camp. Children who are sick will not be allowed to participate in camp activities until they are free from illness.
- Water fountains in our Town parks will not be operational. Camp participants will need to bring a full bottle of water or two to camp each day.
- **Anyone who is sick or was sick with COVID-19** or recently in contact with someone with COVID-19 in the last 14 days – including staff, campers, and families – **should not come to camp**. Be on the lookout for symptoms of COVID-19, which include fever, cough, shortness of breath, chills, muscle pain, sore throat, and loss of taste or smell. Call your doctor if you think you or a family member is sick. Credits/refunds will be provided for missed classes or reservations with greater than 2-hour notice due to personal or household COVID symptoms or exposure.
- As CDC and state guidelines change, we will communicate any changes to camp protocol through emails to parents.
- Campers will not be able to participate in HCC classes during camp. Staff will not be able to shuttle campers.

All Camps

- All campers must have a **Camper Information Form** on file prior to the first day of camp. Forms are attached when registering and are online at [Herndon-va.gov/camps](https://herndon-va.gov/camps).
- All campers will be required to wear face coverings when not engaging in physical activity.
- Safety protocols will include camper and staff group pods, reduced number of campers per camp, physical distancing along with frequent hand washing and face coverings.
- No extended care will be available.
- Swimming and field trips are not offered this summer.
- All campers should dress for outside play and adventure including closed-toe athletic shoes. Campers should bring a lunch, snack and full water bottle or two each day. Please no peanut products!
- Please apply sunscreen and bug spray before coming to camp. All camps except Quest will be cancelled in case of severe weather. In case of severe weather or a call from camp requesting a child to be picked up for the day, parents must pick up their child as soon as possible. If a parent/guardian cannot pick up their child within 30 minutes, families should expect to reach one of their emergency contacts.
- Parents need to wear masks when dropping off and picking up their children.
